**Report**

Dnyan Vikas Sanstha's D.V.S. College of Commerce organised a workshop on Entrepreneurship Development and invited Mr. (Prof.) Pankaj Pandagale, Assistant Professor, TKT College as a Resource Person.

The workshop was attended by 40 participants from the college. The programme started as per the schedule.

At the outset, the Principal of D. V. S. College of Commerce Dr. Nidhi Verma delivered a welcome speech to the Resource Person.

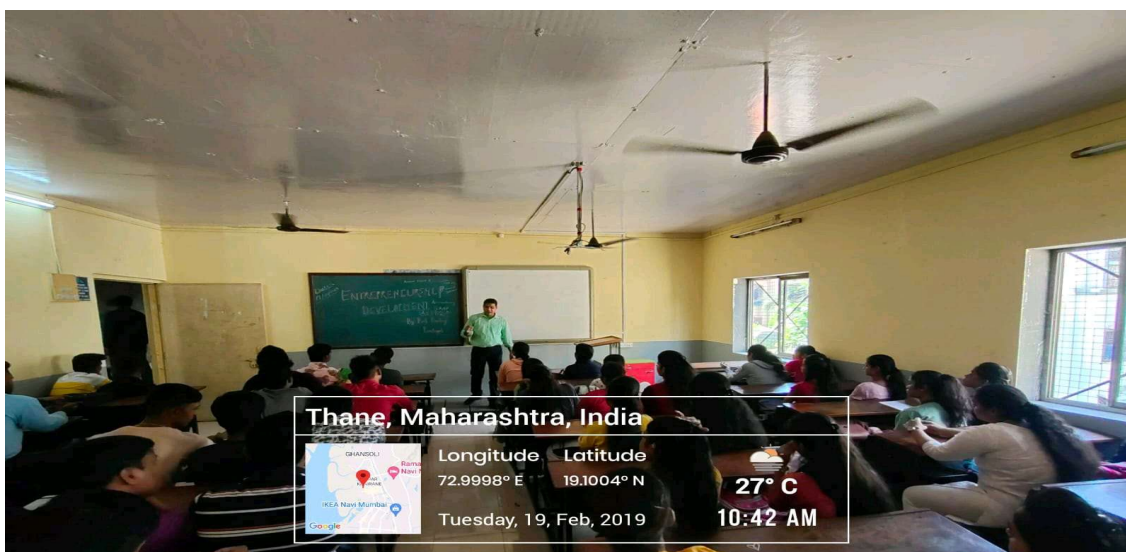

The Resource Person Mr. Pankaj Pandagale, Entrepreneur, addressed the gathering regarding Entrepreneurship Development and made students understand that how Entrepreneurship Development is gradually becoming very significant in various areas of

economic development, how innovative start-ups and new enterprises act as a catalyst for the economy.

The Objective of the workshop was-

- (a) To understand the concept of Entrepreneurial Development
- (b) To understand the main components of Entrepreneurship Development
- (c) To understand the relationship between innovation and entrepreneurial development
- (d) To understanding the theories of innovation and entrepreneurial development
- (e) To know the various techniques of innovation and promoting entrepreneurial culture.

The workshop helped the participants to understand the fundamentals of entrepreneurship development, requirements and challenges in this area. The applied aspect of this workshop was the practical session where the participants could apply the knowledge gained in proper decision making.

The session ended with the distribution of the certificate to the participants by the Resource Person and Mrs. Sheetal Antil.
